

BOO AT THE ZOO

Presented by

Oct. 27 & Oct. 28
11 a.m. to 5 p.m.

It'll be all treats and no tricks for your little goblins and princesses at this year's Boo at the Zoo, the region's most unique Halloween event. Boo at the Zoo is a fun way for families to trick-or-treat and enjoy Halloween festivities in a safe environment. Best of all, the candy provided is made with sustainable palm oil to help protect wild orangutan habitat.

Sponsor one of the Sacramento Zoo's largest and most popular events!

Let the zoo help you to market and advertise to over 9,500 Boo at the Zoo guests.

We invite you to engage with our visitors by sponsoring a treat station. This is the event's main draw for families—the chance to collect treats from the community in a safe environment. If you choose to sponsor a station, we encourage you to pass out candy, brochures and other promotional materials, and get in the Halloween spirit by decorating your booth space and dressing up in costume.
