They're Here! Dozens of Dinos Descend on Sac Zoo!

(Sacramento, CA -- October 19, 2021) -- The Sacramento Zoo is thrilled to announce the opening of an exhibit 65 million years in the making!

Dinosaur Safari at the Sac Zoo will officially open this Thursday, October 21 and run through April 17, 2022. Gather the family, take a journey back through time and experience awe and wonder as more than 20 life-sized animatronic dinosaurs migrate from the Mesozoic Era to the Sacramento Zoo beginning this week.

Hold your ground against towering, 40-foot-long Tyrannosaurus rex and a pack of feathered Deinonychus. Watch a tender moment between a Maiasaura mother and her baby. Avoid getting head butted by a Pachycephalosaurus.

The dinosaurs are ready. Are you?

The Sacramento Zoo's Dinosaur Safari exhibit is included with the price of zoo admission and is free for Sac Zoo members.

Dinosaur Safari was created by Dino Don, Inc, a leading supplier of animatronic dinosaurs to zoos and museums across the globe and the only creator of full-sized robot dinosaurs. These dinos were designed and created under scientific supervision. Don Lessem advised Steven Spielberg on the original Jurassic Park film and has advised both the Universal and Disney theme parks as well.

T-Mobile™

This exhibit is generously sponsored by T-Mobile.

Plan your your visit today! Don't miss this DINO-mite exhibit. [Visit our website for dino-details!](#)

MEDIA OPPORTUNITY BEGINNING 10/20/2021: Capture great audio/video, see dinos in action, interviews available, you might even see a "dino veterinary exam" performed by members of the UC Davis veterinary team. Call/email for time(s) and details.

About the Sacramento Zoo

The Sacramento Zoo is home to more than 400 native, rare and endangered animals and is one of more than 200 accredited institutions of the Association of Zoos and Aquariums. The Zoo inspires conservation awareness and action through exceptional animal care, education and recreation, and it welcomes an average of 500,000 visitors a year. The Sacramento Zoological Society formed in 1958 to support and raise funds for the zoo that was created in 1927 in William Land Park. In 1970, the Sacramento City Council adopted the name "Sacramento Zoo." And in 1997, as city funding continued to decrease, the Sacramento Zoological Society assumed responsibility for the Zoo's management and the majority of its financial support.
