

Flock your mom.

Flock your friend.

Flock your boss.

Flock your neighbor.

# FLOCK EVERYONE!

It's back! AAZK's flocking fundraiser is going live **July 6<sup>th</sup>, 2021** as the lawn flamingos start their migratory journey. Call or email to make a donation and **you tell us** where the flock will roost next! Would you like your favorite person to wake up to 24 plastic lawn flamingos in their front yard? You have the power to (make us) make that happen. Check out [#FlockedByAAZK](#) to see some of our past handiwork. Here are the benefits:

- Help animals!  
AAZK is a group of Sacramento Zookeepers committed to local and worldwide animal conservation, enriching animal husbandry, and community involvement.
- Make them smile!  
Laugh with them and let them know you're thinking of them by leaving personal notes. Or don't and laugh maniacally as they try to figure out who flocked them!
- Aerate their lawn!  
Free with every flocking!

Interested? Want more details? Send our Migration Manager an **email or text** and mention "flocking". Be prepared with the following information:

1. Address of the recipient's house
2. Preferred flocking date (at least one week's notice)
3. Personalized message to be included (optional)
4. Payment information for your donation
