

RAINFOREST FAVORITES

Writing prompt (opinion piece):

The rainforest is filled with so much diversity. Different plants and animals live in this habitat, and they each have their own unique adaptations for survival. Which animal from the rainforest is your favorite? Construct an argument as to why this animal is the best and write it in your journal. Provide details from the video to support your claim.

Make sure to include:

- Introduction statement
- Three supporting facts
- Conclusion statement

If you
researched
your animal,
remember to
cite your
sources!
